### Doing Business in China Series: Voluntary Liquidation of WFOE – Professionals' Roles In Action

30 November 2021

Presenter:

**Mr Kenneth Lee**

Mr Kenneth Lee is the Director & Head of Global Entity Management of TMF Hong Kong Limited. Kenneth has 20+ years of extensive practical experience in assisting clients on executing their expansion strategies. During the past two decades, he had worked on or led more than 300 domestic HK/Chinese, and cross-border transactions.

Kenneth specializes in mergers and acquisitions. He has extensive experience in financial due diligence for a diverse range of industries, including, life sciences, infrastructure, power and utilities, industrial and consumer products, real estate, media, entertainment, technology, and others.

Kenneth's clients are mainly headquartered in US, Japan or Europe and many of them are Fortune 500 companies, looking into expanding in China, central Asia, and the Asia Pacific; Kenneth assists them in developing and executing their growth strategies here in the region.

Kenneth had also previously led and/or been involved in a number forensic and investigation assignments mainly related to commercial and financial statement frauds in China, as well as a number of FCPA due diligence on Chinese target companies.

Kenneth also had considerable experience in audits of public and private companies in Hong Kong and China. Kenneth is a frequent speaker on corporate governance, compliance, mergers and acquisitions workshops and seminars in Hong Kong and China.

Kenneth received his Bachelor's Degree in Commerce from the University of Toronto. He is also a Chartered Financial Analyst (CFA) charter holder, a member of the Hong Kong Institute of Certified Public Accountants (HKICPA), and the American Institute of Certified Public Accountants (AICPA).
