Enhanced Continuing Professional Development (ECPD) Training

Artificial Intelligence: Legal and Governance Perspectives

20 October 2021

Presenter:

Ms Ling Ho

Ms Ling Ho is a Partner of Clifford Chance. She has spent over 20 years advising clients on intellectual property related matters in the Greater China region. Her expertise covers the full spread of contentious and non-contentious IP issues. She is the co-head of the China Litigation and Dispute Resolution practice and is a core member of the firm's global Tech Group with particular focus on IP, cyber, tech disputes and risk management.

Ling has extensive trial, deal and strategic counselling experience, and has acted in leading cases in the fields of trademarks, patents, copyright, designs to confidential information.

Ling is regularly involved in negotiating and drafting brand usage, technology transfer and other IP related collaboration agreements for clients investing into Asia markets.

Ling's practice also spans arbitration, commercial litigation, cyber, data privacy, defamation as well as product liability claims. Her clients range from multinational corporations and government agencies to leading businesses and individuals in the region, across a broad spectrum of industries including healthcare, technology, media, consumer goods and retail, financial services and leisure.
