INEDs – Relevant Issues for the Governance Professional and Other Thoughts

17 February 2022

Speaker:

Ms Zoe Lau

Ms Zoe Lau, Vice President, is a member of BlackRock's Investment Stewardship team in APAC. She is primarily responsible for BlackRock's stewardship activities in Greater China, which include engaging with portfolio companies on material environmental, social and governance issues, and conducting proxy voting on behalf of BlackRock's clients globally. She also contributes to the development of BlackRock's regional voting guidelines and internal research projects, and drives BlackRock's interactions with local regulators and industry organizations on relevant policy matters, especially in Hong Kong.

Prior to joining the BlackRock Investment Stewardship team in January 2018, Zoe was part of BlackRock's client business team covering Private Banks. She began her career as a Management Associate at Citi's Institutional Clients Group. Zoe graduated magna cum laude from the University of Pennsylvania with a B.A. in Philosophy, Politics and Economics.
