60300 Medisana Air Purifier

- Cleans room air using an antibacterial particulate filter (F9>PM2.5) from 3M® and additional activated carbon filtering; allergy-friendly
- Effective with low power consumption
- Simple and safe to use thanks to the LED filter change indicator
- Switches automatically between the day and night modes
- Operated using the included power supply unit and USB cable
- Can be used at home, in office or in cars
- Target audience: Baby, Children, Infants, Adults

60390 3M Filter for Medisana Air

The Medisana Air Purifier works on a timer schedule to indicate when the filter needs to be changed and replaced. The LED filter indicator changes from blue to amber to red. Once the light starts to flash red, it is a sign that the filter is used up and must definitely be changed promptly.

88330 Medisana Body Toner (Mobile Massager)

Medisana Body Toner with App comes with 5 programs to tone shoulders and neck, waist and back. This muscle toner works by stimulating blood flow in the area to be treated and relaxing tense muscles. It has 7 intensity levels to adapt the muscular treatment to your needs.

Benefits:

- Stimulates blood flow in the area;
- Relaxes tense muscles;
- Helps strengthen muscles;
- 5 different application programs and 7 intensity levels for waist, shoulders and neck and back;
- With timer;
- Includes 4 self-adhesive electrodes, storage box and spare battery.

60082 Medisana Aroma Diffuser

WT701 iThermoniter – Wireless Thermometer

iThermonitor

Real-time fever-monitoring
smart thermometer

WIRELESS

The iThermonitor delivers real-time temperature measurements to receiver via Bluetooth. When connected with Internet, the receiver automatically uploads temperature data to cloud storage.

CONTINUITY

The iThermonitor captures body temperature every 4 seconds and records the progress of the fever, including changes and trends.

ALERT

The iThermonitor generates alerts promptly if the child's temperature goes over a preset limit.

REMINDER

Set timed reminders for when medication must be taken. You can also set up SMS or email notification, convenient in an office setting.

CLOUD SERVICE & STORAGE

Monitoring

Wherever you are, monitor your child's temperature through smart mobile devices.

Notification

Notifications of high temperature and reminders to take medication are available through SMS and email.

Back-up

All records are preserved in the cloud for an easily accessed medical history.

Sharing

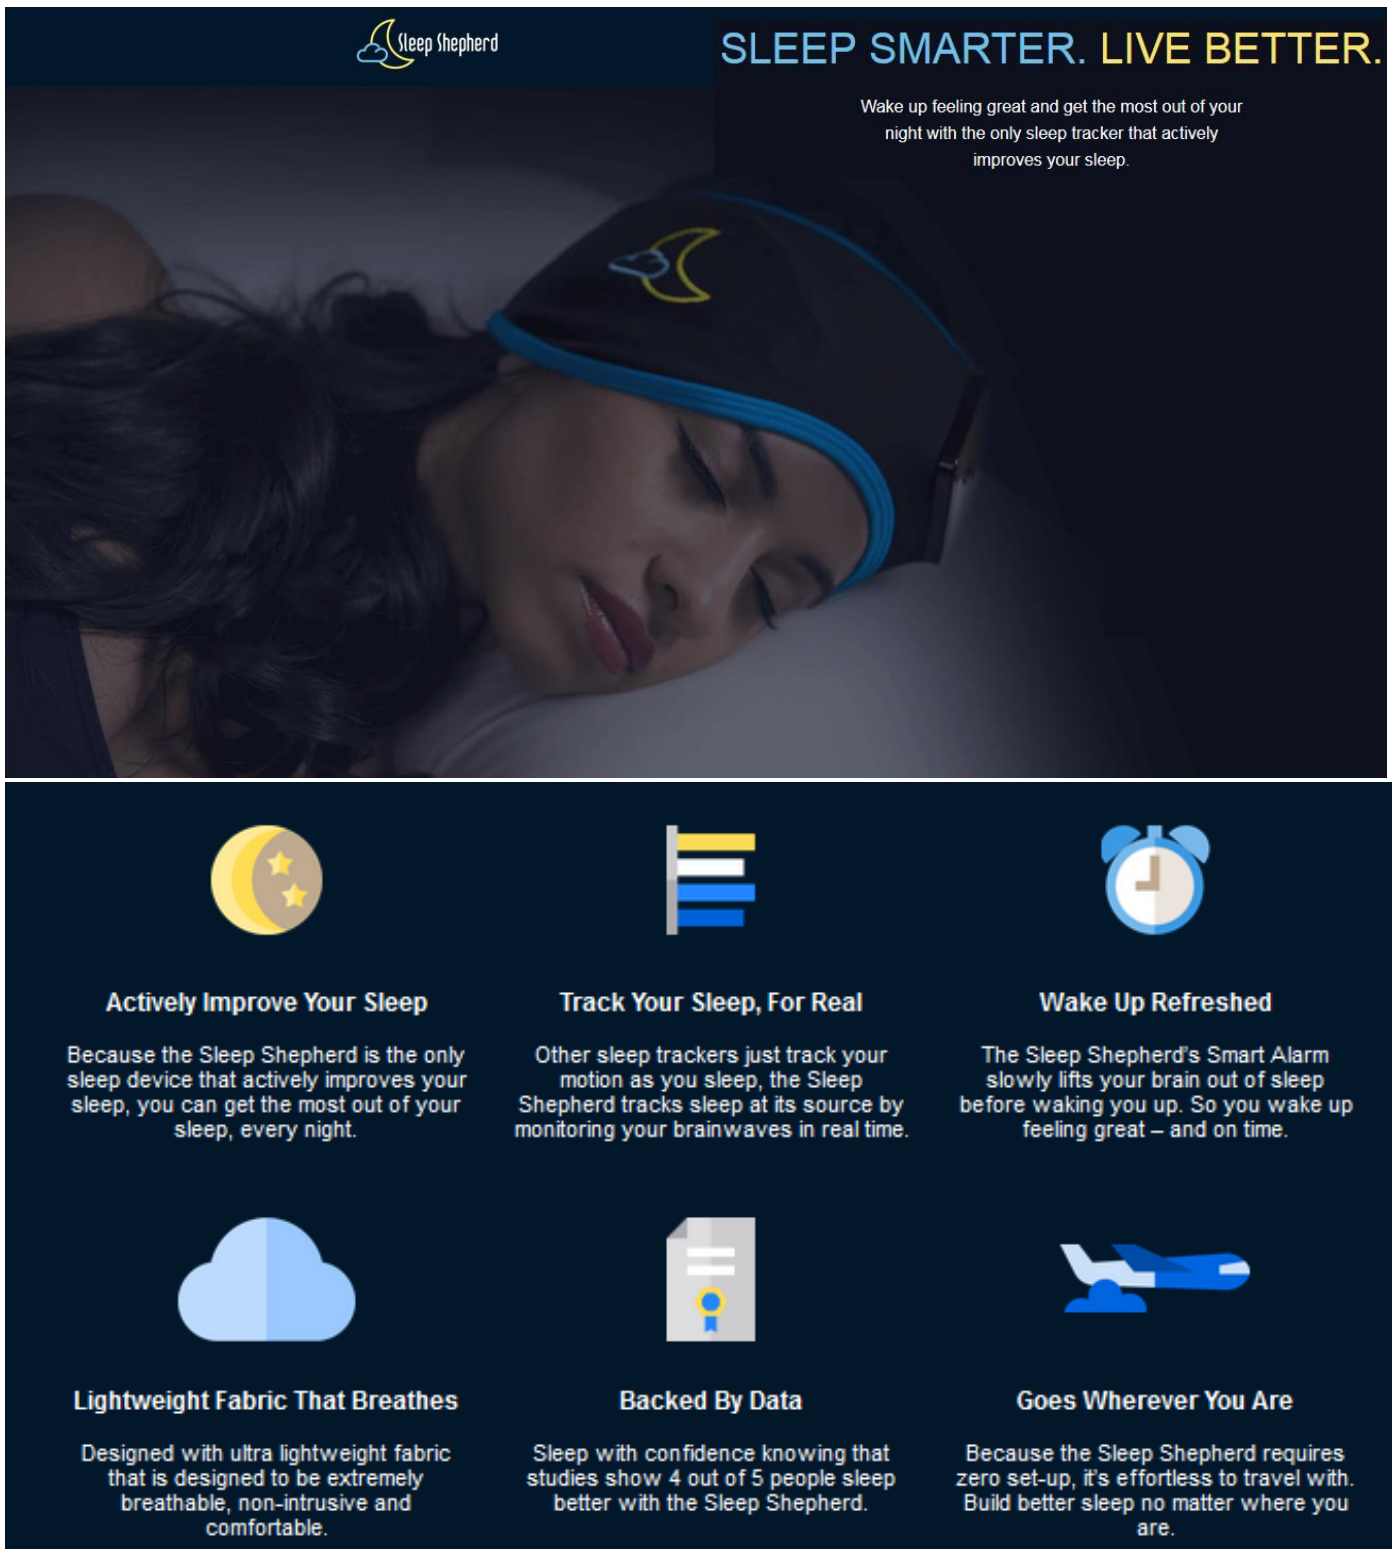

Option of Export Report allows you to share your children's health information with family and doctors.

Storage

The iThermonitor has a flash memory of maximum ten days temperature data, in case the connection with the receiver is lost. The data synchronization resumes immediately, once the connection between the iThermonitor and the receiver is back.

SSB01 Sleep Shepherd Blue

The advertisement features a dark blue background. At the top left is the Sleep Shepherd logo, which includes a stylized cloud and a crescent moon. The main headline reads 'SLEEP SMARTER. LIVE BETTER.' in white and yellow text. Below this is a photograph of a woman wearing the Sleep Shepherd headband while sleeping. A quote states: 'Wake up feeling great and get the most out of your night with the only sleep tracker that actively improves your sleep.' The bottom section is divided into six columns, each with an icon, a title, and a descriptive paragraph.

Actively Improve Your Sleep
Because the Sleep Shepherd is the only sleep device that actively improves your sleep, you can get the most out of your sleep, every night.

Track Your Sleep, For Real
Other sleep trackers just track your motion as you sleep, the Sleep Shepherd tracks sleep at its source by monitoring your brainwaves in real time.

Wake Up Refreshed
The Sleep Shepherd's Smart Alarm slowly lifts your brain out of sleep before waking you up. So you wake up feeling great – and on time.

Lightweight Fabric That Breathes
Designed with ultra lightweight fabric that is designed to be extremely breathable, non-intrusive and comfortable.

Backed By Data
Sleep with confidence knowing that studies show 4 out of 5 people sleep better with the Sleep Shepherd.

Goes Wherever You Are
Because the Sleep Shepherd requires zero set-up, it's effortless to travel with. Build better sleep no matter where you are.

- All-natural, drug-free solution to a better night's sleep
- The first at home sleep device that monitors your brainwaves in real time and uses a biofeedback loop to help you fall asleep quickly through the use of customized binaural beats.
- It is part of a comprehensive sleep system to help improve the way you sleep

AVEO AVEOtsd Anti-snoring Aid

AVEOtsd®

A First Line Treatment for Sleep Disordered Breathing
