

Students who have not yet registered their HKICS PrimeLaw accounts should refer to the account registration guide and note the following:

1. Go to WKHK website to register your account (click [HERE](#)).
2. Students are required to provide the following information during the registration process for verification with HKICS:
 - a. Student name (same as your HKID card)
 - b. HKICS student number
 - c. Mobile phone number
 - d. Email (same as the email provided to HKICS)
3. Once registration is complete, a confirmation email will be sent to the individual student's registered email address by WKHK
4. WKHK will verify the student's information with HKICS before account activation. Note that it will generally take 10 working days before the account becomes active.
5. Upon verification, an email confirming the account activation will be sent to the student by WKHK. The student will then be able to use the assigned login ID and password to sign in to the account.
6. To login and access HKICS online study materials, click [HERE](#).
7. Downloads are limited to 300 comm block / per document per day.
8. The system will automatically lock the account if the student tries to use spider software. WKHK will notify HKICS immediately if this happens and communicate with the user during office hours. Any second attempt to use spider software will block user access to his/her account.
