The past and present conduct of a successfully elected member will be taken into account.

## 5. Character and Standing

**For any “yes” box ticked in this application, applicants are required to provide details in writing (enclosing supporting documents) to the Institute as appropriate and as practicable.**

- Applicant must be recommended as fit and proper for re-election as a graduate/member of HKCGI.
- The term “fit and proper” contained in the Byelaws 5 and 6 of CGI and the Articles 5 and 6 of HKCGI relates directly to the character of an applicant and includes the concepts of honesty, solvency and competence. However, the Council does not link the term “fit and proper” to a subjective view an applicant may hold of his own conduct and methods. As a result, the Council requires all applicants to answer all the questions there as to their character.
- The Institute is obliged to supervise the standard of professional conduct of its members and it is important to emphasise that the examples given below are not intended to be exhaustive or definitive, the concept of fit and proper is inherently open-ended.

### Question 1

This relates directly to the solvency of the applicant and would include any sequestration order, compromise or deed of arrangement with the applicant’s creditors.

### Question 2

This relates to:-

- i) any offence, whether or not in Hong Kong or in the Divisional Territory of People’s Republic of China, involving fraud or other dishonesty under legislation relating to companies, building societies, credit unions, friendly societies, insurance, banking or other financial services, insolvency, consumer credit or consumer protection.
- ii) any other offence, whether or not in Hong Kong or in the Divisional Territory of People’s Republic of China, not in a) above including criminal convictions in a civilian or military court, involving fines, suspended sentences or terms of imprisonment. The applicant may exclude non-criminal traffic offences.

### Question 3

This relates to:-

- i) disqualification by a court or other statutory or regulatory body from acting as a director of a company, or from acting in the management or conduct of the affairs of any company, partnership or incorporated association.
- ii) disciplinary action including criticism, censure, fine, or exclusion from membership of any professional body or organisation (whether or not in Hong Kong or in the Divisional Territory of People’s Republic of China).
- iii) all known investigations, findings and sanctions by an authority, regulator or professional body locally or overseas.

*(Note: If there is any ongoing investigation against you which may not be lawfully disclosed, you may tick ‘unanswered’ and no details are required to be provided until 14 days after the result of the investigation. In case of an adverse finding against you, the Institute will assess whether you have conducted yourself, whether by act or default, in a manner that had you been a member/graduate of CGI and/or the Institute at the time of the act or default, might or is likely to have been discreditable to CGI and/or the Institute having regard to the Code of Professional Ethics and Conduct of CGI and/or the Institute and any other CGI and/or the Institute’s professional rules and regulations (collectively the ‘Rules’). If so, the Institute reserves the right to terminate your membership/graduateship.)*

## 6. Compliance of CPD Requirements prior to application for re-election

In general, applicants for re-election should have accumulated **15 CPD points, including 4.5 ECPD points from the seminars or events organised by the Institute within 12 months prior to the date of application** for re-election. Applicants must submit the attendance record together with the application for inspection. Confirmation of enrolment does not serve as a valid certification of attendance.

### Example:

If an applicant submits an application for re-election on 1 January 2023, he/she should submit the attendance records of CPD seminars arranged from 1 January 2022 to 31 December 2022 (a 12-month period prior to the date of application). Any CPD seminars attended before such period will not be counted.

In respect of retirees who have reached age 60, no CPD points is required but they must submit a declaration containing an undertaking to comply with applicable future CPD requirements to support the application.

## **7. Recommendation**

All applicants must be recommended by two referees who:

- are holders of professional qualifications;
- Have known the applicant for at least one year.

One of the referees must be a member (Fellow or Associate) of CGI and/or the Institute.

Personal information including the professional qualification membership number of the referees must be provided as appropriate.

## **8. Payment**

Re-election application fee is non-refundable while subscriptions for the current financial year, lapsed year and an additional year of subscription to cover the year(s) between the current financial year and lapsed year are refundable if the application is rejected by Membership Committee.

## **9. Additional Notes**

- a. Admission to membership of the Institute is conditional upon the Council first being satisfied that an applicant is a member of CGI and being ordinarily resident in the Divisional Territory of People's Republic of China subject to Article 6.1 of the Institute.
- b. Eligibility to remain a member of the Institute to be at all times conditional upon the member remaining as a member of CGI. An individual's membership of the Institute automatically cease if that individual for any reason ceases to be a member of CGI subject to the Article 18 of the Institute.
- c. Every member and graduates shall be bound absolutely by the Charter and Byelaws of CGI and the Articles of Association of the Institute for the time being in force, and any disciplinary regulations made thereafter.
